

Session Program

2-6 Nov 2026

CLSF2026

Geometric crystallography, point groups, space groups

Monday 2 November

11:00

Geometric crystallography, point groups, space groups: part I

Session | Convener: CABARET, D.

12:30

13:30

Geometric crystallography, point groups, space groups: part II

Session | Convener: CABARET, D.

15:30

16:00

Geometric crystallography, point groups, space groups: part III

Session | Convener: CABARET, D.

17:00
